

RMD Kwikform Health and Safety Policy Statement

RMD Kwikform is committed to ensuring the health, safety and welfare of our employees. We fully accept our responsibility for the health and safety of others who may be affected by our activities.

Each employee will be given such information, instruction and training as is necessary to enable them to work safely at all times.

Management will ensure that all processes and systems of work are designed to take into account health and safety and are properly supervised at all times.

Every employee must co-operate with us to enable successful implementation of this policy. Commitment is required at all levels of employee, from the boardroom to the site workplace.

Each individual has a legal obligation to take reasonable care for their own health and safety, and for the safety of others who may be affected by their acts or omissions.

Safety is an integral part of our business and is incorporated into all activities from initial planning to final completion of operations, via a rigorous risk assessment process.

This policy will be regularly monitored to ensure the objectives contained within are achieved. The policy will be reviewed and, if necessary, revised following relevant legislative or organisational changes.

This policy has been developed to drive continual improvement via regular review and update within the field of Health & Safety across the business, and to be compliant with the legal requirements in the Countries we operate in.
